Good evening Ms. Rodriguez,

Thank you for the efforts you made thus far to satisfy the needs of your region. Many residents in the Sunland area are highly concerned. The area of concern includes Sunland Park and around the region of 8700 Foothill Blvd. Sunland, CA 91040. There is an immense amount of trash in this area and there is open drug use which makes it hard for myself and parents with children to visit businesses. In addition, there is a suspected drug dealer that many people are aware of and nothing is being done. I know there are limited resources but residents are frustrated and wish to have additional policing at this location. Please respond with any type of action that will help alleviate this situation.

[REDACTED]
